Meet Dr. Sara Viernes-Chisler

DDS, MS, D.ABDSM, QOM-D

Dr. Sara is kind-hearted and welcoming. She takes her time with each patient and is thorough in her work. She is especially passionate about helping kids, because her own daughter was affected by these issues. She strives to create a warm environment where anyone is welcome.

Airway Dental Sleep Medicine: What We Treat

- **Obstructive sleep apnea & snoring**: oral appliance therapy, a CPAP alternative
- **Closed-mouth breathing**: teaching patients to breathe with their mouth closed
- **Correct tongue posture**
- **Airway-focused growth & development**: guiding skull development to open up the airway
- **TMJ treatment**
